

## Recent Highlights

The Center for Food, Nutrition, and Agriculture Policy (CFNAP) is an independent research, outreach, and education center affiliated with the University of Maryland—College Park. CFNAP is recognized nationally and internationally for its research, outreach, and international leadership development programs.

**Research:** Publishing its research in top peer-reviewed journals, just a few of CFNAP's recent publications include:

Forshee RA, Storey ML, Allison DB, Glinsmann WH, Hein GL, Lineback DR, Miller SA, Nicklas TA, Weaver GA, White JS. A critical examination of the evidence relating high fructose corn syrup and weight gain. *Critical Reviews in Food Science and Technology*. Accepted May, 2006.

Storey ML. Consumers' Knowledge, Attitudes, Beliefs, and Purchase Intent Regarding Foods from the Offspring of Cloned Animals: Final Topline Report. [www.agresearch.umd.edu/CFNAP](http://www.agresearch.umd.edu/CFNAP).

Storey ML, Forshee RA, Anderson PA. Beverage Consumption in the U.S. Population. *J Am Diet Assoc*. 2006 Dec; 106(12):1992-2000.

Forshee RA, Ginevan ME, Storey ML. A risk analysis model of the relationship between beverage consumption from school vending machines and risk of adolescent overweight. *Risk Analysis*. 2005; 25: 1121-1135.

**Outreach:** Ceres® events convene decision-makers and scientists from academia, government, and the private sector to discuss current issues in food, nutrition and agriculture policy:

A Ceres Forum. *Beer: To Your Health!* October 10, 2006.

A Ceres Invitational Workshop. *2010 Dietary Guidelines: Addressing the Issues on the Alcohol Guideline*. August 31, 2006

A Ceres Invitational Roundtable. *Public Health and the Benefits and Risks of Seafood Consumption*. November 3, 2005.

A Ceres Invitational Workshop. *Changing the Food Supply: 2005 Dietary Guidelines to MyPyramid*. September 23, 2005.

**Communications:** CFNAP actively communicates to governments and consumers:

Storey ML, Forshee RA, Anderson PA, Miller SA. A Ceres® White Paper on Communicating risk-risk to the public: the case of health benefits and risks from eating seafood. Submitted to FDA, October 16, 2006.

Weaver GA, Storey ML. Tuberculosis in Cattle: Import Requirements. Submitted to USDA APHIS, October 25, 2004.

Storey ML, Forshee RA. Comments to the 2005 Dietary Guidelines Advisory Committee. Submitted to FDA, September 27, 2004.

**Education:** CFNAP provides short courses and lectures on risk analysis, U.S. regulatory and policymaking for international and domestic government officials.

Short courses on Risk Assessment, Risk Management, and Risk Communication to FDA and international government officials.
